

Hi All

The WRFLUA is hosting a Barefoot Bowls night at the Yarraville Footscray bowls club on Saturday 27th March at 6pm. Please contact Dean McGowan on 0438-757-744 to confirm your booking as spaces are limited.

Just a note that if you have an issue at a game during the season, both practice matches and home and away, such as spectators on the ground during play, major incident like an all in fight, please let BOTH Mark Westgarth 0448-050-433 and Terry O'Donnell 0439-724-545 know what happened so they can assist further investigation if required.

This week we have training at Hanmer Reserve on both Monday and Wednesday night. Field and boundary umpires start at 5.45pm whilst the goal umpires start at 5.30pm. Remember on Wednesday night that field and boundary umpires need to bring their whistles to training.

This weekend has been another opportunity to implement the adjusted rules for 2021. We are looking for your feedback during the week. I have attached the links for the vision from last weeks field umpires coaching session. It is really important to watch the Stand Set Kick sessions and the 2-umpire adjustments are also included.
