

Hi All

It was great to have a nice weekend of weather. This week we have a field umpires coaching session on Thursday night, no training for the field umpires, starting at 6pm, which will include the 2021 observers attending. The coaching session will be held in conjunction with a meal for those who wish to have a meal. Please make sure you have emailed Adrian O'Donnell adrian_odonnell1@hotmail.com by Tuesday night, if you wish to have a meal, it is not compulsory. All other umpires who wish to have a meal on Thursday night, as is becoming the tradition, that will start at 7.30pm.

This weekend we have ANZAC Day on Sunday so please make sure you check the times of your games as they are not as normal. In that, we have Saturday night games, twilight games and a senior ANZAC Day game. Most games on Sunday are normal and if you are not available for the weekend, as of the time of this email, RING/EMAIL your coach asap because the vast majority of appointments have been allocated already. Again, when you receive your appointment/s on Wednesday aim to confirm them by Wednesday night, as it creates major issues with late changes and declines.

Just a reminder for junior field umpires to complete SPIRIT of the Game.
