

Hi All

The weekend was like early or late season, not nearly mid-season! I am sure that will change but happy to umpire in perfect conditions which we had across the weekend.

This weekend we have a field umpires coaching session but in that, all umpires are invited as we are have former WRFL umpire and legend of the WRFLUA Bob Aitken speaking to the group around game day, leading up to, during and after. It will be a great opportunity to hear from someone different to the current coaches, as we take this opportunity to grow in our ability to develop better communication with all parties in the WRFL football community. We will have dinner served whilst Bob is chatting to us so make a booking and join the group.

Just a reminder that the Queen's Birthday weekend is fast approaching so make sure if you are NOT available to umpire to have your Schedules adjusted because the default is that you are available. There is only Div. 3 seniors and reserves so 6 games and Junior Championships, which umpires will be appointed to over Saturday and Monday! No home and away junior football.
