

Hi All

Hope you had a good weekend, cold and windy but essentially dry. This week we are hopefully that we return to training on Thursday and umpiring on the weekend. In that, any announcements from the Victorian Government and the WRFL, will be sent to you as soon as I am aware of any changes.

At this stage the WRFL have added 2 rounds to the junior season to allow all players to continue to play football which is a great initiative from both the clubs and the WRFL. What that means is ALL divisions of juniors will now have a final 4 with the first week of the finals being held on Sunday 8th August. Two preliminary finals, 1 v 4 and 2 v 3, will be played with the two winners playing off the following week in the junior grand final round.

Again, please make sure Schedules is up to date in relation to availability for Sunday, from this coming Sunday 1st August through to the last round of the senior season.

The Division 2 senior finals commence the week after the junior grand finals, two weeks earlier than originally planned. In that, as already stated, all games from now on are critical as the coaching panel determines the initial ranking for finals.

Please take note of the training program as there have been many changes due to WRFL fixture changes.

Stay safe, stay active and see you on the track Thursday, I hope.

Mark

Week Commencing	Monday	Tuesday	Thursday	Weekend
Monday				
26 July	No Academy COVID Restrictions	No Training COVID Restrictions	Training Field Umpires Coaching session	Juniors extra round
