ALL coaches will register to their community club/s via [CoachAFL](#). Coaches must select the club/team (in the correct league) they are coaching in their Coaching Profile to be linked to their community club. (See page two of this document for more information regarding league and club selection).

*Coaches **MUST** complete all steps in the registration and accreditation workflow. Coaches will only show as registered and available for team selection in PlayHQ (or SportsTG) when their coaching role has been selected and their accreditation course for 2022 has been completed.

WHERE TO FIND EACH LEAGUE IN THE COACHING PROFILE

Within the Coaching Profile, coaches will need to select their **State** before selecting the League and Club they are coaching at in Season 2022.

To facilitate coach registration and accreditation across both the new PlayHQ platform and SportsTG, note that 'Victoria' is listed twice in the State dropdown. Leagues listed under 'Victoria (Metro Leagues)' will register coaches to competitions in SportsTG, Leagues listed under 'Victoria' will register coaches to competitions in PlayHQ. A full list is provided.
