

Hi All

We have commenced practice matches and over the next few weeks more and more games will become available to umpire. Please make sure you have Schedules up to date in terms of your availability as that will provide the coaches the opportunity to appoint you.

Please find attached the link to the field umpires coaching session held last Wednesday.

I have also attached the link to the AFL Rule Adjustments for season 2022. Field umpires **MUST** watch the coaching session to understand what we are looking at to adjust. If you have any concerns or are not sure please speak to either Paul or myself.

This week's training has all umpires, on Monday, meeting at 'The 100 Steps of Federation', located off Queens Street, Andrew Park Drive, next to the Altona Sports Centre at **6pm**.

Wednesday we are back at Hanmer at **5.45pm**, there is no coaching session this week, but field and boundary umpires are requested to bring their whistles to training on Wednesday nights.

'Come and Try' continues on Monday night at Dunnings Road Reserve from 4-5pm for those in the Point Cook area, so if you have a friend who wants to have a go at umpiring, please bring him or her along.

See you on the track

Mark
