

Hi All

Round one and we had wind on Saturday and rain on Sunday, footy is back! Hopefully everyone enjoyed umpiring over the weekend. This week we have our academies on Monday, and we are looking forward to your feedback about what it was like to have your first go at umpiring. Those who didn't umpire, hopefully you will be right for this weekend. There are no coaching sessions this week with training at Hanmer on both Tuesday and Thursday night.

This week Division 3 and senior women competitions commence, which require more umpires which will be a challenge. In that we had many umpires change their availability on Schedule on either Monday or Tuesday when we had already made the appointments on Sunday night or Monday morning but said nothing before the appointments were published. If you change your availability after SUNDAY for the coming weekend, please let your coach know. When you don't let us know it is not ONE change, it becomes many to cover one umpire. The coaches all work full time, so this takes lots of their time to support you.

The WRFLUA will hold their first social function for the year with Bare Foot Bowls on Friday 22 April. The venue is yet to be determined but, as in previous years, it is a great night out for all, so please look to keep it free.

See you on the track
