

Hi All

Hope you all had a great weekend umpiring, a bit warm for April but that is Melbourne and don't we love it! Some umpires had their first game, well done and if you didn't get a game that is due to not enough mentors. Please be patience, we need to make sure you are always supported so you can be the best you can be!

This week leads into our Easter break with no WRFL football this weekend expect for one Division 1 game at St. Alban's at 6pm on Good Friday. In that, training this Thursday is optional but if you want to have a run and then have a drink and something to eat after training to celebrate Easter then you are more than welcome to come along on Thursday.

Friday week, 22nd April the WRFLUA will be holding the first social function for the year with Bear Foot Bowls at the Deer Park Bowls club on Ballarat Road, commencing at 6.30pm. The cost is \$10/head and the WRFLUA will provide the snack food for dinner. This has been a great night in the past and we look to start the 2022 season with many umpires and their families coming along to have some fun, share a meal and enjoy each other's company with the opportunity to meet new people.

Enjoy the Easter break, it is a time to spend time with family, friends and relax. I will send next week's information message on Monday night.

See you on the track.

Mark

Monday	Tuesday	Wednesday	Thursday	Friday	Weekend
