SPEED UP ON THE FIELD. SLOW DOWN ON THE ROAD.

You can speed things up on the field. But out on the road, driving at a safe and legal speed could save the life of a club or community member. So whether you're a player, coach, spectator or volunteer, we're asking you to slow down and help make our roads safer.

It takes all of us.

Concerned your kids think betting on sport is normal?

The first generation to grow up with sports betting ads – young men (18 to 24 years) – make up a third of sports bettors in Victoria, and participation by young women is rising.*

Start a conversation with the young people in your life today about the risks associated with sports betting, by asking:

- What do you think about all the betting ads on TV?
- What are some of the risks involved in sports betting?
- Why do people bet on sport?
