

Hi All

Melbourne at it's best, wet on Saturday and 21 degrees on Sunday, in May! We are one third of the way through the senior season and next week we will be halfway through the junior season!

It was great having the AFL umpires at training last week so hopefully for all those who could get to training you learnt something new about umpiring. Make sure you check out the WRFL website as many photos were posted.

This week we have normal training sessions with a field umpires coaching session on Thursday night. We also have umpire Division 2 club visits during the week on Tuesday and Wednesday.

This Saturday the WRFLUA are holding a Trivia night at the Hanmer Rooms commencing at 7pm. Gold members are free and \$10 per head for non-gold members. A meal will be provided and from past experiences a great night is expected. Enjoy the opportunity to spend some social and fun times with your fellow umpires and their families.

Just a heads up that the mid-season function will be held on Saturday 18th June and a reunion night on Saturday 16th July.

See you on the track.

Mark
