

Hi Everyone

Hope you all had a great weekend of football. There is a lot happening over the next month, so please make sure you are prepared moving forward.

The boundary umpires will have a key skills training session this Thursday night from 5.45 to 6.30pm at Hanmer Reserve. Please bring your whistles and if you struggle to get to training try and make this session one to be at as we start to gear up, given we are halfway through the season.

Field umpires have a coaching session after training, which will focus on the 3-umpire system.

The following **Tuesday 7<sup>th</sup> June** the goal umpires will hold a coaching session after training. Please make this a priority, as we have limited goal umpires coaching sessions.

During the Queen's birthday long weekend **ONLY** Division 3 Seniors and Reserves are playing on Saturday **ONLY**, there are junior interleague games but limited. In that, it is an opportunity to run 3 umpire systems for both field and boundary in the seniors and reserves. We would like to have a good mix of Division One, Two and Three umpires involved in the games to provide a coaching opportunity. If you are **NOT** available over the Queens birthday weekend please make yourself unavailable on Schedule **NOW**, as we will be looking to appoint umpires this week for the long weekend.

Please make sure you check the season planner as there are many events, such as the Mid-Season Dinner for the WRFLUA on Saturday 18<sup>th</sup> June. We are halfway through the season for all but Division 1, which will reach the halfway point this coming weekend. Junior finals will start before we realise so be prepared by attending coaching and training sessions, either at Hanmer or at the relevant academy.

See you on the track.
