# **SPEED UP ON THE FIELD. SLOW DOWN ON THE ROAD.**

You can speed things up on the field. But out on the road, driving at a safe and legal speed could save the life of a club or community member. So whether you're a player, coach, spectator or volunteer, we're asking you to slow down and help make our roads safer.

**It takes all of us.**

## Concerned your kids think betting on sport is normal?

The first generation to grow up with sports betting ads – young men (18 to 24 years) – make up a third of sports bettors in Victoria, and participation by young women is rising.\*

Start a conversation with the young people in your life today about the risks associated with sports betting, by asking:

- What do you think about all the betting ads on TV?
- What are some of the risks involved in sports betting?
- Why do people bet on sport?
