

Good evening all

Back to a full round of football and the weather was again kind to us.

This week we have the special boundary umpire coaching session at MacKillop College on WEDNESDAY night starting at 5.45pm until 6.30pm. The focus is for the academy umpires and for those who could not get to the last boundary umpire coaching session at Hanmer a few weeks ago. With junior finals only 6 weeks away it is important to try and get to the session to help develop your skills. If you have not been to MacKillop before, go all the way through the driveway until you reach the oval at the rear of the school. The lights will be on, so meet on the oval, if it is raining the session will be inside and you will have someone there to direct you.

The field umpires have a coaching session after training on Thursday night.

Just a reminder that if you have a report in your game, or an incident has occurred in your game, then please ring me before Sunday night. We need to make sure we have all the information around reports and incidents so they can be dealt with promptly and correctly by the WRFL.

Well done to the WRFLUA on the mid-season dinner, it was a great night had by all, with 4 people sharing in the \$1000 reverse draw.

See you on the track
