

Hi All

A windy weekend and one week to go for juniors. This week we have normal training, with no coaching sessions, given Division One football will have a bye this weekend.

I have provided an updated planner for the rest of season 2022. There are some important sessions occurring over the coming weeks, so please check the planner as it will require umpires to focus on the sessions that involve them, especially as we move into finals.

The WRFLUA held their reunion on Saturday night with a great night had by all. Noel Grant was elevated to Legend status whilst Joy Cox and Peter Dalgleish were inducted into the Hall of Fame. These people have been the backbone to the WRFLUA over many, many years. Well done and well deserved.

Finally, when completing Match Day paperwork please:

- Fill in all sections of each sheet – date, competition, competing teams, age group, venue – as each sheet gets separated from the yellow envelope so needs to clearly identify the match it is for
- Complete votes and make sure this copy is the one put in the yellow envelope
- Umpire names – please make sure ALL WRFL umpires are listed on the Match Report and that their names can be CLEARLY READ on each copy of the sheet. Where Club Umpires are officiating, they can include their names and tick that they are a Club Umpire.
- Make sure all information is included in the yellow envelopes:
  - Match Report sheet
  - Team Sheets x 2
  - Goal Umpire score cards x 2
  - Timekeepers Sheet
- If there is an official report during the game complete the WRFL Player/Official Report Sheet and also notify Mark Westgarth and Terry O'Donnell of the incident

Match day paperwork/envelopes then need to be dropped at one of the below 3 drop off points by **8am Monday mornings**. If for some reason you cannot drop the envelope/s off in time please email [info@wrfl.asn.au](mailto:info@wrfl.asn.au) to advise when it will be dropped off.
