

Hi all

Congratulations to all umpires who officiated in the first week of junior finals. Many umpires doubled up and/or changed around to ensure the day was successful. It was great to see fantastic teamwork across the junior finals with many umpires officiating with umpires they had never ran with previously, which demonstrates the willingness to support each other and therefore bringing out the best in each other. Again, well done to all!

This week we have our last academy session for season 2022. With many first-year umpires running their first final this weekend, many more will follow this coming weekend, so let's get to the last session and celebrate a great 2022 season. We have our Junior Presentation and Grand Final Appointments Evening on Wednesday 10<sup>th</sup> August, a remind will come out this week so please send your RSVP's to Maree. Thursday, we have a field umpires coaching session and just a reminder about the Gender Equity Presentation on Thursday 11<sup>th</sup> August.

See you on the track
