

Hi All

The juniors have completed their finals and the seniors have commenced! This week we have our whole group Gender Equity presentation on Thursday night, commencing at 6.30pm at the Hanmer rooms. In that, the WRFLUA will provide finger food from 6.15pm and if you wish to have a run prior you are most welcome. Bring your phone as the session is interactive and senior final appointments will be read straight after the presentation.

The presentation will tackle the issue of gender equality, racial equality, sexual equality (LGBTQIA+), respect and inclusion. This positively motivates participants to be part of the solution in creating equality and inclusion, firstly in our sporting clubs and secondly in the wider community. This course explores ways to empower sporting communities to be the examples when it comes to respect, fairness and equality. We look at how easy it is to develop prejudices, stereotyping and unconscious biases. The idea of sledging your opponent to get an advantage used to be considered acceptable, however today we have realised that equality extends across and beyond the boundary line. This module gives participants the tools they need to recognise and combat discrimination and the courage to employ them within their club and in the community.

See you on the track
