Western Region Football League

Strategic Plan 2015-2018

Our Vision:

For community football to make a meaningful contribution to a stronger, healthier, inclusive and resilient population in Melbourne's West.

Our Mission:

Through Football, we will enhance the social, physical and emotional development of our community.

We Value:

- The contributions of volunteers
- Respect for diversity
- Teamwork and partnerships
- Integrity and sportsmanship
- Commitment and leadership

Our Operating Environment:

- An Association of Associations – WRFL is a not-for-profit, incorporated association constituted to provide administration services and support for its member clubs.
- A diverse range of Councils providing playing and associated facilities.
- Rapidly expanding population in the west and an ageing population in areas supporting some older clubs.
- High proportion of people born overseas with a wide range of background sport cultures and interests.
- Significant pockets of relatively high unemployment, low education levels and lower incomes.
- Lower levels of participation in sports in general, including Football.
- Increasing competition for sponsorship dollars.
- Increasing pressure on volunteers, exacerbated by regulatory compliance requirements and perceived difficulty in attracting commitment from new volunteers.
- Strong competition for participants from other sports particularly soccer.
- Several clubs struggling financially.
- Improving but uneven competition balance

Aims	Objective 1: Club & League Viability	Objective 2: Community Leadership & Culture	Objective 3: Club, Facility & Venue Development	Objective 4: Commercial/Social Enterprise & Embracing Technology	Objective 5: Football Participation / Structure, Balance & Growth
	To support and enhance the governance of the league and member clubs to ensure financial and program viability.	To encourage and support community engagement and relationship initiatives that add social value and support inclusive environments.	To ensure that facility planning and development arrangements meet the needs of existing and planned new member clubs and the league.	To ensure that the WRFL meets appropriate benchmarks of management and service delivery; and supports the information technology needs and capacity of member clubs.	To increase the number and diversity of individuals involved in playing, administering and supporting Australian Football.
Strategies	• Continually research our marketplace to develop a sound understanding of club operating environments and challenges in order to inform planning at club and league levels. • Facilitate and deliver focussed training/education programs and resources for club officials. • Establish a "Club Mentoring" program. • Propose and actively investigate the prospect of introducing an entry charge for senior home & away games. • Moderate the level of payments to players. • Achieve a responsible and sustainable net assets position for the Western Region Football League Inc without increasing administration charges to clubs. • Ensure that all WRFL clubs are accredited to the highest possible standards under the AFL Victoria Quality Club and Australian Drug Foundation Good Sports programs.	• Regional cooperation with football industry, government and community organisations at all levels. • Develop mutually beneficial partnerships with the AFL clubs aligned to promotional zones in the western region of Melbourne. • Establish and maintain partnerships with community organisations having potential to assist in achieving WRFL strategic objectives. • Foster/optimize relationships between league/club personnel and local government Councillors and staff. • Offer scholarship/award programs to the wider community. • Increase female participation in football competition and off-field roles at all levels. • Introduce Cultural Awareness Education courses for league and club administrators and supporters. • Enhance the social value of clubs in their community through development of inclusive and safe football environments practices.	• Plan and facilitate development of new and existing football facilities across the western region of Melbourne to comply with agreed and documented minimum standards. • Develop a regional umpire training venue at Williams Landing. • In cooperation with local Councils and AFL Victoria, facilitate establishment of new football clubs as opportunities present, particularly in new population growth areas. • Lobby for access to the best possible facilities across the western region for conduct of both Senior and Junior finals events.	• As part of the West & North West Regions Future Directions Project, undertake market research aimed to thoroughly understand the western region market environment and lead to optimum service to member clubs and the Game as a whole. • Develop and promote WRFL brand awareness throughout the western metropolitan region. • Ensure that club personnel have the capacity to maximise the benefits of information technology. • Ensure that WRFL technology systems keep pace with industry developments. • Implement a fully functional, on-line live-scores facility for both Senior and Junior competitions.	• Increase participation numbers across all WRFL football segments. • Develop / attract five (5) additional clubs to senior competition, in order to achieve the ideal number of ten (10) teams in each senior competition Division. • Establish a Club District structure aligning clubs with Auskick Centres and schools. • Achieve formal alignment and close cooperation between all WRFL clubs and at least one Auskick centre. • Ensure that all WRFL clubs engage cooperatively with schools in their designated "Districts" as defined in the Western & North-West Regions Future Directions Strategy. • Investigate the feasibility of increasing competition age levels from Under 18 to Under 19; and from Under 16 to Under 17. • Design and implement a WRFL female strategy and initiatives to grow player participation. • Enhance the quality of coaches through professionally managed coach education courses.
Success Measures	• Reduction in the number of clubs experiencing financial stress. • Improved net assets position for WRFL Inc.	• Increase in female team numbers – viable WRFL female competitions. • Increase in female appointments to senior club administration positions. • Increase in number of partnerships with key community organisations. • Strong partnerships and ongoing collaboration with local government Councillors and staff.	• Improved standard of football facilities across the western region. • Improved access to suitable pre-season training venues for clubs. • Delivery of a regional umpire training venue.	• Increased recognition of WRFL brand across the western region. • Delivery of high-quality programs and administration to member clubs. • Delivery of "state of the art" communications with clubs and the western region community.	• Increased numbers of Senior/Reserves teams. • Increased numbers of Sunday Junior teams. • Increased retention of players, particularly at the older "under-age" levels.

PRESIDENT

Bruce Mildenhall

It's been another action packed year at the WRFL both on and off the field. The Board, with its unchanged personnel, has seen change all around it.

The three division structure for senior football, introduced part way through 2014, was in place for the commencement of the 2015 season. As hoped, this structure has improved competitive balance in all senior competitions and average winning margins have continued to decrease throughout 2015.

Deer Park Football Club won their third consecutive Division One premiership, dominating the Grand Final to produce a record 136-point win against Werribee Districts. As I mentioned during the Senior Presentation Dinner, the club has now moved from being a 'powerhouse' to being a 'juggernaut' of the competition.

Congratulations also to the Wyndhamvale and Albanvale Football Clubs on winning their first senior flags, in Divisions Two and Three respectively.

This year the WRFL released its 2015 - 2018 Strategic Plan.

This was brought together by WRFL Vice President Barry Lovell, Directors Paul Robinson and Scott Chapman, and a Strategic Planning sub-committee comprising Adam Devlin (Werribee Districts), Phil Datson (Wyndhamvale), Chris Murphy (Spotswood), Matthew Pratt (Deer Park), Phil Rigg (West Footscray), Tony Sticca (Yarraville-Seddon), Gavan Taylor (Albion) and CEO Bob Tregear.

The Plan (see facing page) has a number of key objectives with - two being to increase the numbers of people playing football, and to make the task of club sustainability easier for our member clubs.

Our capacity to broaden the opportunities to play football has been significantly increased this year with the appointment of Tony Nguyen and Tom Delahunty as Football Development Managers. Tom and Tony are working with Tim Shellcot on strengthening the links between WRFL clubs, schools, Auskick centres and player visits from the Western Bulldogs Football Clubs as well as other footy clubs across the region.

The idea was born from the work carried out by the AFL Victoria West and North West Development Council which is chaired by Western Bulldogs President Peter Gordon.

After discussions with clubs and testing throughout the second half of the season, member clubs will now be aware that the Board has implemented AFL Victoria's Club Sustainability Program, which involves introducing the Player Points System in 2016.

Under this new model we hope to see the Player Points System bring greater stability in player lists, increased loyalty by players to the clubs who launch their career and a more even competition in future seasons, all outcomes the WRFL believes are vital for strong community football.

Linked with this initiative is the Player Payments Proposal, scheduled for implementation in 2017.

As a league we are conscious of the positive impact football participation has on the lives of players and communities in the West.

Our vision is for community football to make a meaningful contribution to a stronger, healthier, inclusive and resilient population in Melbourne's West.

We seek your help in continuing our mission to make that vision a greater reality.

I would like to thank to my fellow Board members for another year of outstanding contribution as volunteers committed to supporting and growing community football.

Barry Lovell, Gina Smith, Terry McGarity, Ross Williamson, Scott Chapman, Paul Robinson, Meredith Angwin and Dominic Drenen - it is a pleasure to work alongside you, it is definitely a great team to work with.

The professionalism of Bob Tregear and the WRFL administrative team makes the work of the Board a lot easier as well.

With the exception of the career opportunities taken up in 2015 by Events Coordinator Lyn McLeod, and Media and Communications Manager Kirstie Fitzgerald, we are privileged to have a stable and skilled team which is focussed on making the WRFL one of the best leagues in the state. Julia Prokhorova and Kristen Alebakis have joined the team this year and are already making important contributions to our work.

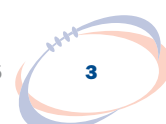

I would like to thank all WRFL sponsors for their ongoing partnership. Their support has made it possible to bring our competitions and programs together year after year.

Finally, thank you to our member clubs - your players, coaches, officials, supporters, families and volunteers is what makes our competition so great. The countless amount of hours you put in each week make community football in the West so enjoyable to be a part of.

Bruce Mildenhall
President

CHIEF EXECUTIVE OFFICER

Bob Tregear

The Western Region Football League's Strategic Plan 2015 - 2018 was finally released in July this year, following an extended process involving WRFL club and Board representatives. The work of the WRFL Strategic Planning Sub-Committee was interrupted during the 2014 season pending the outcome of AFL Victoria's West & North-West Regions Development Council - a group chaired by Western Bulldogs President Peter Gordon and also included representation by WRFL President Bruce Mildenhall and myself.

Recognising the opportunities for game development arising from the rapid population growth in Melbourne's west, the Council was successful in lobbying the AFL Commission for funding to significantly boost development staffing across the region. The result was an increase from two to five Football Development Managers, two of whom have worked since February this year from the WRFL office in constant collaboration with WRFL staff and club officials. The full impact of this major increase in development resources will be realised in the 2016 season, especially at the junior and female football levels with a concentration on developing pathways from Auskick through to club participation; and with development support to club volunteers.

The extended pause in our planning process bore fruit in ensuring that all football stakeholders across the region (AFL, VFL and community football) have committed to complementary strategic objectives, all aimed to strengthen participation. As the principal community league in western Melbourne, the WRFL and its member clubs are ideally placed to capitalise on the benefits of growth. The five principal objectives of our Strategic plan point to an exciting period of growth and development ahead:

- Club and League Viability
- Community Leadership and Culture
- Club, Facility and Venue Development
- Commercial/Social Enterprise and Embrace of Technology
- Football Participation / Structure, Balance and Growth

The Strategic Plan and supporting Action Plan will guide the directions and efforts of the Board and staff over coming years; and will provide a reference point for measure of success. Significant advances have already been recorded from the previous (2010) Strategic Plan, notably the formation of three new clubs and expansion of senior competitions to three Divisions.

The return to WRFL competition in 2014 of Werribee Districts Football Club's senior teams and recent announcement of Newport Power's nomination of senior teams for the 2016 season are directly related to the improved public profile of the WRFL resulting from a clear strategic direction. It is pleasing to note that our league has attracted prominent football identities such as Brian Lake, Mark Williams, Paul Chapman, Wayde Skipper, Shannon Byrnes, Wade Chapman, Ryan Houlihan, Brendan Fevola and Steve Kretzschmar in recent times, a further welcome sign of the ever-improving reputation of the Western Region Football League and its clubs.

First amongst our strategic objectives is to ensure the viability of member clubs and the league itself. The cash-flow difficulty faced by a number of clubs is reflected in the league's balance sheet where the level of Trade Debtors at balance date has grown significantly compared to last year. While we will continue to work with clubs to achieve an orderly and timely path to debt retirement, it is the responsibility of all clubs to ensure that their fund raising activities and internal management controls are adequate to meet their commitments.

The introduction of the Community Club Sustainability Program (CCSP) in season 2016 will be an important first step in the application of a state-wide policy aimed to reduce the pressures of player payments and reward the loyalty of players who remain with their clubs. Application of salary caps proposed for introduction from 2017 will apply further downward pressure to club costs.

After gross turnover of more than \$2 million, the league recorded a virtual break-even result for the 2014-15 financial year. After several years of rising returns from finals, increases in venue costs and a general downturn in attendances across all junior and senior finals this year resulted in a drop of more than \$40,000 in net finals revenue. An overall deficit trading result was avoided through careful control of all costs and the introduction of player registration fees.

For the fifth consecutive year, the Board was able to maintain its policy of no increase in team affiliation fees. Counting the 10% reduction delivered in the 2012 budget, the real cost (including inflation) of team affiliation fees over the past six years has reduced by almost 25%. The 2015-16 budget has again been drafted with no increase in team affiliation fees.

Consistent with the quest to contain/reduce costs to clubs, financial viability of the league is increasingly dependent on the support extended by a growing

number of sponsors and commercial partners. Sincere thanks to all of our 2015 partners whose support has made our competitions and programs possible, including:

The success of any community sporting organisation lies in the strength and commitment of all of the volunteers and support agencies that make the world go around. WRFL is fortunate to enjoy the support and loyalty of a wide array of voluntary support agencies including the Juniors Board, Umpire Appointments Board, Independent Tribunal, Independent Hearings Committee and Appeals Board. I record my thanks and appreciation to Keith Brown (Juniors Board Chairman), Mark Westgarth (Director of Umpiring), Dale Sayner (Tribunal Chairman), Mark McDonald (IHC Chairman) and Graeme Bloom (Appeals Board Chairman) and to all of their colleagues whose contributions to our operations are invaluable.

Our staff team has seen some change and renewal this year. After four-and-a-half years' service as Customer Service & Events Coordinator, Lyn McLeod left early this year to take up an events management role with the Essendon Football Club. Lyn's place was taken by Julia Prokhorova who has already established strong working relationships with club officials and Life Members in her first season in the job.

Media & Communications Manager Kirstie Fitzgerald left after season's end to accept a media role with AFL Victoria. Kristen Alebakis was appointed in recent weeks to replace Kirstie and is looking forward to an exciting and productive time ahead as we move into the 2016 football season.

Both Lyn and Kirstie were hard-working and well-liked members of the staff team and we wish them both successful careers ahead.

Kristy Vidovic returned to her role as Administration and Accounts Officer early this year following an extended absence on maternity leave. In welcoming Kristy back to a role that she fills so well, I record our thanks to Stephen "Boppo" Smith who stood-in during Kristy's absence and not only undertook the job effectively, but kept the office smiling with his unique brand of dry humour.

Peter Harley provides expert support to the staff team in developing and servicing our growing band of commercial partners and sponsors. My thanks to Peter for his important work and his friendship with all members of staff.

David Newton (General Manager Football Operations) and Tim Shellcot (Football Operations & Club Development Officer) provide the forward planning and day-to-day management of all of our football and related activities. Both now have several years of experience in their roles and I thank them for their expertise, application and support in sometimes difficult but always interesting circumstances.

Special thanks to President Bruce Mildenhall and his Board members whose voluntary, independent roles are so vital to the governance of the League. Once again, the three Board members whose terms expire this year will be re-elected unopposed.

Thank you also to Steven Reaper, Mick Daniher and the team at AFL Victoria for their active interest in and support for our development programs; and to Western Bulldogs Football Club President Peter Gordon whose chairmanship of the West & North-West Regions Development Council was vital to securing the financial support of the AFL Commission to increase game development resources.

Finally, thanks to all of the club officials, players and supporters who ARE the Western Region Football League. Collectively, you make major contributions to the economy and social fabric of the western Melbourne region. Your League is well placed to capitalise on the opportunities ahead and to make a meaningful contribution to the region's community development.

FOOTBALL OPERATIONS

The 2015 season saw the Western Region Football League move into three senior divisions for the first time since 1998 following on from the split of Divisions Two and Three in the latter part of season 2014.

A total of 248 teams competed across all WRFL competitions including seven Youth Girls and two Under 13 Girls teams that were combined with the Essendon District Football League.

Division One comprised of nine teams after Parkside, the 2014 Division Two Premiers, fell on hard times and were moved into Division Three to ensure the club was able remain operational going forward.

Both Division Two and Three contained eight teams each with Yarraville Seddon relegated to Division Two and Wyndham Suns fielding senior teams for the first time starting in Division Three.

There was no promotion or relegation between the lower two divisions due to the nature of the split in the final rounds of 2014.

The move was greeted with some overwhelming changes to the competitiveness across all divisions of the competition, particularly in Divisions Two and Three.

The senior competition in Division Two and Three saw the average winning margins reduced by 33 and 55 points respectively.

It was also great to see the bottom four teams in Division Three combine for a total of 21 wins in 2015 compared to seven prior to the split in 2014.

The table below provides an analysis of the margins along with some other key statistics.

Winning Margin Analysis: 2014 - 2015 Home and Away Season			
Competition	2014	2015	Differential
Division 1 Seniors	60.0	52.7	-7.3
Division 1 Reserves	56.1	49.3	-6.8
Division 2 Seniors	98.1	65.0	-33.1
Division 2 Reserves	81.4	79.6	-1.8
Division 3 Seniors	103.9*	48.6	-55.3
Division 3 Reserves	83.5*	53.1	-30.1
Margins in excess of 100 points	116	68	-48
Margins in excess of 200 points	24	5	-19

The Under-18 competition continued to have its challenges with fixturing with 16 teams competing over Division One and Division Two. Unfortunately due to the nature of the teams across the divisions it made it very difficult to provide consistent alignment with the seniors and reserves competition.

The juniors and girls competitions were the first to get started in an eight week long WRFL Finals Series.

The four weeks of Junior Finals were played at Hoppers Crossing, Tarneit, Altona and North Sunshine while Point Cook and Deer Park hosted finals for the Youth Girls competition.

A total of 77 finals matches were played across these venues.

The matches showcased a great display of exciting, fun and competitive football. A couple of highlights that stood out was the Under-11C and Under-13B premierships won by Sunshine Heights.

It was the first time the club had won a junior premiership in 17 years. It was a reward for the club after re-developing their junior program in recent years.

After going down to Braybrook in the 2014 Grand Final, Albanvale were out to make amends and win their way back into Division Two when they took on Parkside in the 2015 Division Three Grand Final.

After losing the second Semi Final by four points to Parkside after not kicking a goal until the last quarter, Albanvale went into the match with some confidence knowing a four quarter effort would hold them in good stead.

After a see-sawing affair in the first half where Parkside led by five points at the main break, Albanvale made true on the premiership quarter. Kicking six goals to Parkside's two to hold on to a 23-point lead heading to the last change.

They maintained their advantage to run out 35-point winners and win their first senior premiership for the club.

It was also pleasing to see both the Wyndham Suns who won the reserves Premiership and Tarneit (reserves) experience finals action as newly formed senior clubs as well as Laverton (reserves) who made significant inroads on and off the field throughout the past 12 months.

The Division Two Grand Final was contested between the two best teams of the home and away season with only one win separating ladder leader Wyndhamvale and West Footscray.

Although Wyndhamvale were presenting plenty of scoreboard pressure early and controlling most of the play it was the scoring accuracy of West Footscray that allowed them be within reach for the first three quarters of the match.

Wyndhamvale led by only 13-points at three quarter time after West Footscray had kicked 10 goals from their 12 scoring shots compared to Wyndhamvale's 11 goals from 20.

The final score however told a different story with Wyndhamvale kicking six unanswered goals to run out eventual 49-point winners, claiming their first senior premiership as well as promotion into the Division One competition in 2016.

West Footscray were successful in the reserves Grand Final as was Newport Power in the Under-18s.

The Division One Grand Final day was the culmination of the previous eight weeks of finals football.

Deer Park entered the Grand Final with the hope of securing a three-peat against a much younger Werribee Districts outfit, who had reached the Grand Final in only their second year in the WRFL after crossing from the VAFA at the start of the 2014 season.

Werribee Districts were hoping their winning performance against Deer Park in round 14 would give them the belief required heading into the Grand Final, however that wasn't the case as the juggernaut of Deer Park rolled on.

Deer Park piled on 17 goals before Werribee Districts kicked their first goal in the 18th minute mark of the third quarter.

Deer Park went on to win their third consecutive premiership with Kwame McHarg judged best on ground with seven goals, identical to his achievement in the 2014 Grand Final.

Hoppers Crossing won the reserves Premiership while Spotswood were triumphant in the Under 18s.

There have been some significant contributions made by so many people and organisations to ensure the finals series runs successfully. All of the work is much appreciated.

I would like to thank the many volunteers that worked tirelessly from the following clubs and organisations:

- Werribee Tigers FC
- Hoppers Crossing FC
- Tarneit FC
- Altona FC
- Altona Juniors FC
- North Sunshine FC
- Point Cook FC
- Deer Park FC
- Werribee CC
- Match Managers
- Finals match day officials

The Western Region Football League's Senior Inter-League team was elevated to fourth spot in AFL Victoria's Metropolitan rankings in 2014 after a win against the Southern Football League.

This set up a showdown with the Eastern Football League in March, who were defeated by the Victorian Amateur Football Association, in the Championship match in 2014.

Coach, Brett Jacobs, returned with Chairman of Selectors, Steve Thom, and were able to put an extremely strong squad together.

The WRFL started very well and although showed some poor kicking at goal early, were able to head to the first change seven points up.

Unfortunately after the first break the Eastern FL were able to maintain regular scoreboard pressure and went on to claim a 34-point win.

Also as part of the program, AFL Victoria selected a team to represent AFL Victoria Metro against AFL Queensland.

The match was played at Burpengary in Queensland in June.

It was extremely pleasing to note that the WRFL had the most representatives of any League selected in the match, with Wayde Skipper (Hoppers Crossing), Andrew Panayi (Werribee Districts), Tim Jenkins (St Albans) and both Kwame McHarg and Jack Purton-Smith (Deer Park) all playing.

Brett Jacobs was also selected to be an Assistant Coach to Brian Royal. All players made significant impacts on the game and were successful in defeating AFL Queensland by 84-points.

In 2016, the program will look to take a different path with a state-wide carnival, which will see both metro and country leagues ranked alongside each other and competing based on the rankings during the season.

I would like to thank the many panels, groups and individuals that all play a major role in ensuring the competition is run smoothly over the length of the season.

The WRFL head office is continually evolving with all staff members committed to further growth and development of our member clubs and I would like to thank them for their ongoing support.

Finally, congratulations to all clubs who achieved the ultimate success in 2015, but more importantly to those clubs who continue to thrive to make things better both on and off the field.

CLUB DEVELOPMENT

Tim Shellcot

Season 2015 proved to be a year where solid foundations have been laid for future club development work.

As all WRFL stakeholders are aware, the geographic area in which the league operates has experienced significant population growth and changing demographics over the past few years. Many of our member clubs experience, and will continue to face significant challenges to maintain and increase their membership and participation. The issues club volunteers encounter in developing and maintaining their clubs can be very diverse, with the large population growth in the outer western area of the league creating different needs to those clubs in the inner west.

As previously identified in 2013's AFL Victoria Western and North West Regions Future Directions Report, meeting the needs of the western region of Melbourne is a key part of the sport's game development strategy. The report recognised a 'whole of game' approach is required, with a focus on female football, improved stakeholder collaboration, school participation and engagement of people from multicultural backgrounds.

In early 2015 additional AFL Victoria Football Development Managers (FDM) were appointed in western and north west Melbourne, with the primary purpose of assisting leagues, clubs and schools grow football participation. Two FDMs, Tom Delahunty and Tony Nguyen, are now based at the WRFL office, with responsibility for a number of key development areas. These include getting football back into schools, club sustainability, volunteer support and Auskick.

WRFL staff are working closely with the FDMs and benefits are already being seen, with the development of stronger links between Auskick centres and local clubs, provision of additional resources and education for coaches, club administrators and volunteers, and an increasing amount of programs introducing the game in schools throughout the west.

While some goals have been quickly achieved the results of this development work will become more obvious from 2016, with improved

stability and viability of clubs and clearer pathways for players from introductory AFL programs to club football.

During 2015 the WRFL has been a contributor in developing the Western Metropolitan Region Football Facilities Strategy. This strategy utilised knowledge and resources from the five Local Government Authorities (Maribyrnong, Hobsons Bay, Wyndham, Brimbank and Melton), together with those from AFL Victoria and the WRFL, to investigate the issues and opportunities facing football in the region. In developing the strategy an audit of all WRFL club facilities was performed, identifying gaps and strengths in the quality and suitability of grounds, lighting, change rooms and social pavilions.

The report generated from this audit and other associated research shows a significant disparity in the quality of facilities throughout the league and identified a number of key facilities criteria that have the greatest influence on participation and growth. While there is no quick fix to facilities related problems the strategy provides a framework and direction for the league, the AFL and local and state government to better plan, provide for and support football in the west of Melbourne for the next 10 years.

The junior competition experienced a minor increase in team numbers in 2015 with 182 teams from 27 clubs participating. Of the 27 clubs that fielded junior teams 21 had a team participate in the finals, with nine clubs winning at least one premiership.

The Youth Girls continued as a joint league with the EDFL, Wyndhamvale finishing runner-up to be the best performed WRFL team. Six WRFL clubs entered Youth Girls teams and it was pleasing to see two clubs, Caroline Springs and Newport Power, field a team for the first time. After a two season hiatus the junior girls competition re-started, playing in a round robin format with three teams. A competition with this number of teams is not sustainable over the long term however it is a starting point and a number of clubs have already expressed interest in entering a team in 2016. The development of female football is a priority and joint planning

between the WRFL and AFL Victoria to expand this important segment of the game has commenced.

A key part of developing the WRFL's best junior talent is providing the opportunity for those players to represent the league in junior interleague competition. Eight squads, from Under-13 to Under-16, including a combined WRFL/EDFL Under-16 girls' team, were selected in 2015, with the league experiencing its most successful carnival for a number of seasons.

The Under-14 and Under-15 squads led the way, winning 11 of 12 games in the AFL Victoria Metropolitan Championships. Playing in Pool B of the revamped competition the Under-15 Division One squad, the Under-14 Division One and Under-14 Division Two squads each won their respective division, which was a great result. Through their efforts the league has won promotion to Pool A and in 2016 will challenge the EFL, YJFL and SMJFL for metropolitan junior football supremacy.

The league no longer fielded an Under-12 squad, instead selecting two Under-13 squads. This change will provide easier identification of a larger number of talented players in the Under-13 age group, particularly as these players will play in the more competitive Under-14 AFL Victoria Metropolitan Championships next season. It also brings the WRFL in line with the AFL's Junior Football Match Guide.

Coaching an interleague squad is a challenging task requiring skills including talent identification, match day tactics, player management and diplomacy. Each coach has a limited period of approximately eight weeks to pick and train his squad and the competitiveness of all squads in 2015 was a testament to the ability and commitment of each head coach; Under-13A – Mark Smyth, Under-13B – Colin Clohesy, Under-14 Div. 1 – Jason Rainbow, Under-14 Div. 2 – Vinnie Turcinovich, Under-15 Div. 1 – John Singarella, Under-15 Div. 2 – Walid Kaddour and Under-16 – Andrew Willis.

A number of WRFL clubs supported the junior interleague program, providing access to their facilities and hosting either interleague training or matches. North Sunshine, Laverton, Altona Juniors, Flemington Juniors and Wyndhamvale football clubs, along with the Western Jets Football Club, provided significant support during 2015 and the league looks forward to these relationships continuing.

Now in its sixth year of operation the Juniors Board continues to provide valuable input to both WRFL administration and Executive Board on the format, structure and functioning of the junior football competition. The Board remains active during the off-season, with a review of the junior football grading guidelines a key task in the lead up to the 2016 season. The goal of our junior football is to provide an environment where young players can enjoy the game and develop their skills in competitions appropriate to their level of ability.

Grading of teams is a crucial part of achieving this goal but it is always a challenge, given the differing levels of ability, size, development and movement of players that occur within each age group. Policies and procedures implemented over the past few seasons have provided a more transparent process, however on-going review and modification of the grading process is critical in enhancing the on-field evenness of games in all junior competitions.

Thanks to WRFL staff Bob Tregear, David Newton, Julia Prokhorova, Kirstie Fitzgerald, Peter Harley, Kristy Vidovic, Lyn McLeod and Stephen Smith for their advice and assistance throughout the 2015 season. To the club volunteers, players and supporters who form the WRFL community, well played in 2015 and we look forward to a bigger and better 2016.

UMPIRES

Mark Westgarth

In season 2015 the WRFL umpires, with the support of the WRFL, were able to establish a Division One three umpire field panel, which I consider, had dual effects on the standing of WRFL football.

Three field umpires has allowed the WRFL umpiring department to further build on the skill level of our senior umpires by providing a larger number of umpires to gain experience at Division One level which in turn developed the quality of our senior umpires.

There is no doubt that the quality and speed of football has significantly increased which required the need for three umpires however I believe by having three umpires this has also assisted in the improvement of the standard of football in the WRFL in season 2015.

This has also allowed the 'older' umpires to remain in the game, therefore providing their experience and composure at the highest level. The parallels with three umpires, video of Division One and significantly lower reports in Division One football are clearly linked. The overall professionalism of WRFL football continues to improve but without the support of the clubs with the umpiring department, this would not be possible.

During the season we also provided three field umpires in many Division Two and Three matches which again further developed the WRFL as a premier football competition.

During season 2015, the WRFL umpiring department has rotated senior Division One umpires into Division Two and Three. This provided both a coaching and mentoring role with the less experienced umpires. This has also resulted in better outcomes for WRFL football as we share the experience across all levels in our league.

The WRFL umpires have built on retaining more umpires than in the previous years which clearly indicate that the people choosing to umpire in the WRFL are enjoying and wanting to be involved in the league.

With a further increase in junior teams and competitions in 2016 will continue to be a challenge.

Umpiring academies have also continued to provide many young and aspiring umpires the chance to be involved in the league. However without the coaches that support those young umpires many would not continue with the WRFL.

I would like to thank the following people who have been involved in the coaching and support of developing umpires across the four academies in season 2015; Mathew Westgarth, Christian Brenner, Terry O'Donnell, Richard Watt and Graeme Hodgart at MacKillop College - Werribee, Phil Henderson and Allan Larrad at Caroline Springs - Caroline Springs, Allan Pascoe at Westbourne Grammar - Tarneit and Mark Mather and Leigh Rowbottom at Scovell Reserve - Maidstone.

My senior coaching panel who worked tirelessly observing and coaching our senior umpires, are clearly a group of men and women who provide the skill and knowledge to develop the WRFL umpiring group. I would like to thank Graeme Hodgart (Goal Umpires Coach) and his assistants Leo Keating and Phil Fawcner, Leigh Rowbottom (Boundary Umpires Coach) and his assistants Maree Wilke, Donna McDowall and Richard Watt. The field umpires observers Rene van Kuyk, Mark Mather and Peter Howe (CEO AFULA) who provided excellent feedback on umpire's performance which in turns allows me to further develop the WRFL umpiring group.

Our junior umpires are the future of the WRFL and without our mentors the development of our junior umpires would not occur. Critical to the development of that group of young umpires are our junior field coach Mark Mather, junior boundary coach Richard Watt and junior goal coach Phil Faulkner. However nothing would occur without Rene van Kuyk who drives the whole group by providing excellent administration and appointments of umpires across the WRFL.

Season 2015 has been another successful year with the strong support from the WRFL, led by Bob Tregear and his team, to the football community, clubs, players administrators and spectators.

Finally, I would like to thank the WRFLUA for their support, led by Henry McFerran and his executive.

I look forward to the 2016 season and thank everybody that I have had the opportunity to meet and discuss football in the WRFL.

TRIBUNAL

Dale Sayner

Upon reflecting on my report last year, I made a statement that it was the aim to reduce the total reports by half in season 2015. This was a significant goal and although we didn't completely achieve this I am pleased to report a reduction of 36 per cent, with the numbers falling from 71 in 2014 to 45 in 2015.

The total number of reports including automatic penalties was 97 which is a reduction of 20 per cent on last season or any other season recorded in the history of the WRFL. It shows the amount of work that all the clubs endeavour to achieve through the application of a professional approach of their volunteers, to make the WRFL the most desirable football competition for athletes to play without fear of others breaking the rules of fair play.

Unfortunately with all the positives, there were a few negatives. We had two very serious reports which were both given the appropriate sentences, and 10 reports on officials which not only represented 22 per cent of all reports, but also was the difference in the Tribunal achieving its goals.

This increase in poor official behaviour is of great concern. I found that in all the cases heard, only one official showed true remorse, the rest presented themselves as if it was just part of the game.

The Tribunal is committed to assisting clubs through training and education and will work with the League to ensure the right messages are being conveyed to all clubs and their volunteers about the expected standards of behaviour. Appropriate penalties will be applied to clubs and individuals who continue to breach these standards.

A promising sign was the reduction of junior reports with only seven cases in 2015 compared to 33 in 2014 which is a credit to all the junior clubs and coaching staff.

The amount of cases found not guilty was 20 per cent, which indicates the umpires are reporting correctly and directing the correct offenses to

the Tribunal each week. Suspensions were down by a total of 87 weeks compared to 2014; this result was encouraging and a sign of less serious reportable offences.

During the 2015 season we had 17 different clubs attend the WRFL Tribunal and there were three clubs who made up 42 per cent of all reports heard by the Tribunal. These three clubs need to work hard to instil improved discipline on field, and I am sure season 2016 will see them not attending the WRFL Tribunal as often.

The WRFL Tribunal once again consisted of eight members of which all were the same personnel that sat during the 2014 season. With this retention, the Tribunal members are able to maintain consistent decision making and therefore provide the clubs and their representatives no doubt where they stand at the WRFL Tribunal.

A special thanks to all members of the Tribunal for volunteering their valuable time every Tuesday night.

Unfortunately Brian Wilson, our normal Tribunal secretary was away ill most of the year and his presence was missed; I would like to thank Rene Van Kuyk who at different times helped out during the season with these duties.

With a tighter control over officials and the continual approach to better on field discipline, I am sure that next season will see the Tribunal sitting less frequent, and the WRFL achieving even better behavioural standards.

MEDIA

Kirstie Fitzgerald

Season 2015 saw the WRFL media department enter a new realm of the ever-changing communication landscape, with the introduction of the league's new mobile App and Division One match-day filming.

For the first time, the league was able to reach out to its members through the development of the WRFL Team App which saw the latest news, fixtures, ladders and results delivered into the palm of your hand. Despite being released in June this year, the WRFL App had 6800 screen views in three months and was ranked in the top 100 Australian Rules Football Apps in the month of August. Another feature the App provided was the introduction of Live Scores. With the support and dedication of our clubs, all senior quarter-by-quarter match results were available to supporters during game day. While this process took some time to get used to, the continuation and familiarity of the Live Scores system will prove to be an invaluable tool in 2016 and beyond.

Another new feature implemented in 2015 was the match-day filming of all Division One Senior home and away games. Through the league's new relationship with Red Onion Creative, clubs, coaches, players and fans were able to review any match throughout the year with a click of a button. The match day footage also proved invaluable as evidence at WRFL Tribunal hearings and as part of the league's new online TV highlight segment, 7 Plays in 7 Days which received an average of more than 400 views each week. It is hoped that through the support of our clubs, the ability to film all senior games across the three divisions will be a reality in the next two seasons.

The WRFL's online TV presences reached new heights this year with a record number of videos produced than ever before. Each week fans tuned into the senior Post and Pre-Match Shows, while our younger followers enjoyed the 2015 Junior Footy Show. Producing 44 episodes this year, the Post and Pre-Match Football Shows with Steve Thom and Kevin Hillier provided great insight into the three senior competitions. The Junior Footy Show also experienced a major improvement this season, growing from a fortnightly show to a weekly edition, which proved popular with fans after reaching 11,000 views. A special thanks goes to WRFL Media Assistant Dylan French for his contribution to the media department, assisting with editing and filming of all WRFL videos as well as to Steve, Kevin and Andrew Wilson for their work with the senior footy show.

The WRFL mobile APP saw news delivered in the palm of all fans hands.

The league's social media position continued to strengthen this season across all platforms. Our Facebook page reached a record high of 5,231 fans this year, Twitter increased its followers by a staggering 35 per cent, while the WRFL Instagram account soared in its second year, to boast a 77 per cent increase in followers since the same time last season. Through the use of social media, the WRFL is able to share its news to a vast range of people within the wider community and have the ability to connect with fans anytime, anywhere.

In it's third season, our online e-newsletter First Bounce established itself as a must-read every Friday afternoon. Reaching a database of more than 6000 people, First Bounce was a favourite

The WRFL TV site allowed supporters to watch full match-replays of every Division One Senior game in 2015.

amongst our junior audience, with regular Junior Milestone and Junior Heartland Award winners featured each week. In a time where our thirst for information has never been greater, the WRFL e-newsletter will no doubt continue to stamp its dominance and extend its readership in 2016.

The ritual of picking up a copy of the WRFL Footy Record on a Saturday afternoon was once again popular among football fans. Each week a team of hard-working volunteers would contribute to the 64-page edition in the form of Round-Wraps, Super Footy Quiz, Images of the Week, Umpires Corner, feature articles and much more. I would like to thank the 2015 WRFL Media Team made up of Justin Lemmon, Andrew Mead, Will Zwar, Connor Pain, Andrew Muscat, Kevin Hillier, Graeme Hodgart, Dayle Dunshea, Declan Boffa, Sophie Hammill, Alex Patterson and Alex Karavas for their outstanding efforts in producing quality content each week. I would also like to thank the sensational work of volunteer photographers Jayde Ferguson and Cody Bench whose abilities to capture a moment and immortalise the action through their lens was a joy to see. Congratulations must also go to 2015 WRFL Media Award recipient Cody Bench who demonstrated that anyone with a passion for media can achieve great things, just as he has done through his outstanding portfolio of photography.

Another group of dedicated people is the WRFL radio team who brought senior football to life on the airwaves via community radio station 88.9 WYN FM. Led by broadcast consultant Kevin Hillier, the efforts of main caller Louie Bulzomi, special comments caller Steve Thom, stats guru Andrew Wilson, studio host Brandon McLaren and WYN FM's Krume Sazdovski saw the team produce high-quality shows every Saturday afternoon with the Match of the Day broadcast. A special thanks also goes to Gary Turner whose local football knowledge was invaluable to our weekly Friday night pre-match radio show, Footy in the West.

Of course all this would not be possible without the support of our premier partner 7NEWS who have been a great promoter of local football in the west. In its second year with the WRFL, 7NEWS has once again featured a number of WRFL stories in its sports bulletin throughout the year and also hosted the inaugural 7NEWS Round. We thank them for their unwavering support this season and look forward to developing our relationship in 2016.

As I hang up the boots as the WRFL Media and Communications Manager, I would like to take this opportunity to thank all club presidents, administrators and volunteers who have assisted the media department not only in 2015, but over the past three seasons I have been in the role.

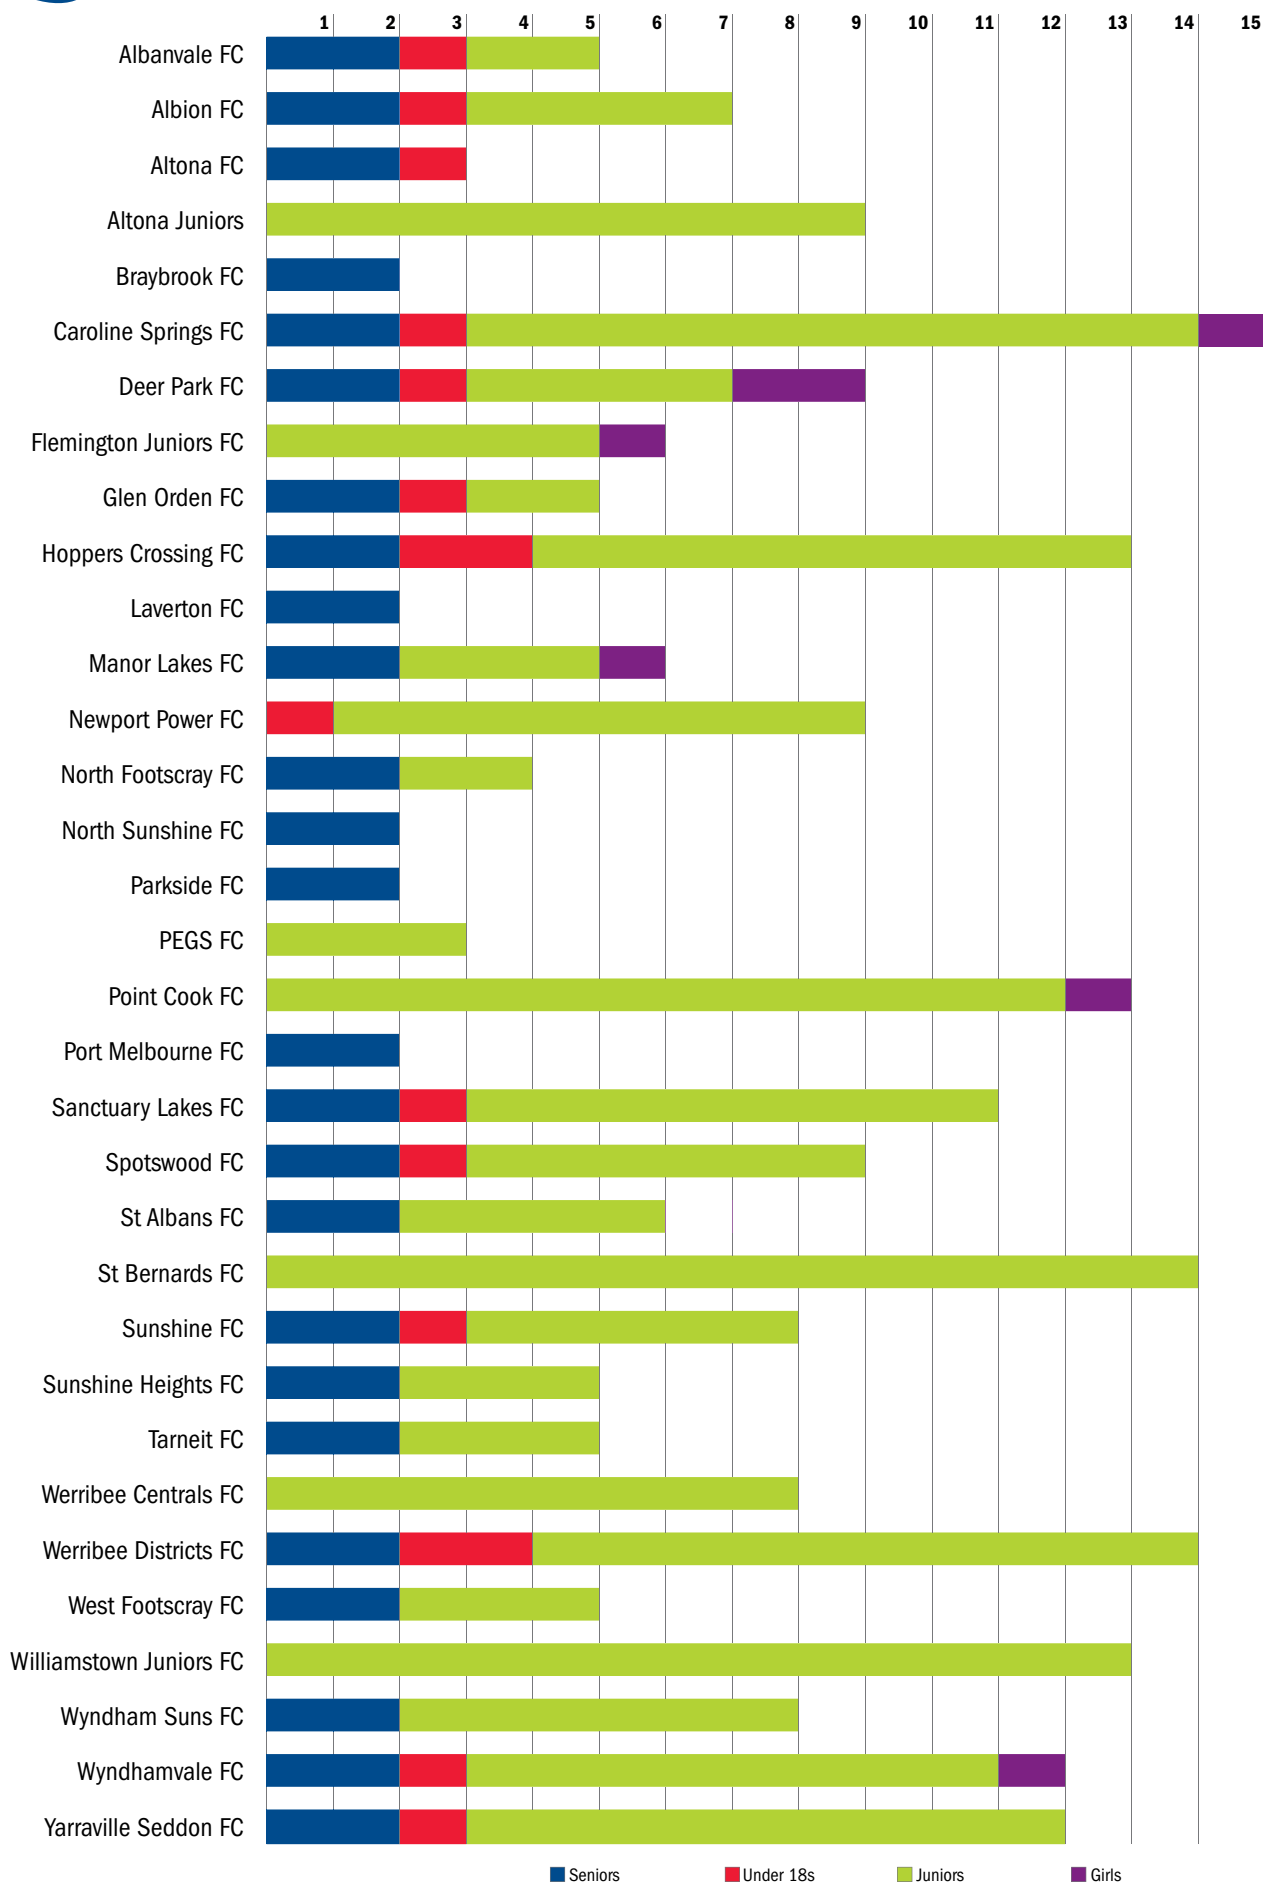

Finally, a huge thanks must go the dedicated WRFL staff for their continued support and friendship. I wish you all the best next year and look forward to seeing you around the grounds in 2016.

FINANCIAL REPORT

Treasurer's Report

It is my pleasure as WRFL Treasurer to present the financial reports for the year ended 31 October 2015, noting that once again our auditors have signed-off on the accounts without qualification.

The final operating result for the 2014-15 financial year was a marginal surplus of \$1,472, compared to last year's \$5,031. While expenses were managed within budget forecasts, the overall result was affected adversely by a net contribution from finals of some \$50,000 less than budgeted; and \$42,000 less than that actually achieved in the previous year. Major factors in the disappointing finals result included some additional unbudgeted costs of venue preparation, (temporary fencing, portable toilets, etc); and a general reduction in attendances across both junior and senior finals compared to the previous year.

The increase in overdue debts owed by clubs to the league is a matter of ongoing concern and will be the focus of close attention over the coming year. While overdue debts are subject to negotiated payment arrangements in order for clubs to remain eligible for match points, several instances of default to agreed payments were recorded during the year under review. The Board is mindful of the difficulties faced by club volunteers in raising funds, however overdue debts present a cash-flow management problem to the league and reduce the capacity to raise income through investment. A significant reduction in the level of overdue debts will be expected over the 2016 season.

As foreshadowed in my Treasurer's Report last year, the introduction of a player registration fee, payable by players as part of the annual FootyWeb registration process, proved to be essential to our financials and to our ability to continue the policy of the past several years of not increasing team affiliation fees. The draft budget for the 2015-16 financial year has again been framed with no increase in team affiliation fees.

Other notable items in the 2014-15 result included a cyclical decline in profit from the properties division; maintenance of more than \$200,000 in sponsorship support; and absorption of our contribution to the costs associated with the AFL Victoria West & North West Regions Development project

Overall, the Board is satisfied with its budget monitoring and fiscal controls; and views the final result for 2014-15 as a more than satisfactory outcome. However, our ability to remain viable into the future will be dependent on the continuing quest for significantly increased revenues, preferably from non-club sources.

The recently published WRFL Strategic Plan 2015 - 2018 includes several strategies to improve the viability both of member clubs and the league itself. A key focus for the Board over coming years will be to monitor the implementation of those strategies with a view to relieving at least some of the burden on volunteer club officials.

The Board remains committed to good governance and responsible financial management as vital components of best practice service to member clubs.

Dominic Drenen
Treasurer

STATEMENT BY EXECUTIVE BOARD MEMBERS

The Board has determined that the association is not a reporting entity and that this special purpose financial report has been prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

We, **Bruce Mildenhall** and **Dominic Drenen**, being members of the Board of the **Western Region Football League Incorporated** certify that, in the opinion of the Board the financial report (five pages, including notes attached):

- Presents a true and fair view of the financial performance and position of the Western Region Football League Incorporated during and at the end of the financial year of the association ended on 31 October 2015, in accordance with Note 1 to the financial statements.

- At the date of this statement, there are reasonable grounds to believe that the Western Region Football League will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the board and is signed for on behalf of the board by:

Bruce Mildenhall

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR YEAR ENDED 31 OCTOBER 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012, for use by the members of the League and to fulfil the board's requirements to prepare financial statements.

The financial statements have been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2012 and the following Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Cash Flow Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events after the Reporting Period
AASB 113	Fair Value
AASB 116	Property, Plant and Equipment
AASB 117	Leases
AASB 118	Revenue
AASB 119	Employee Benefits
AASB 1031	Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied. The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations. The financial statements have been prepared on a going concern basis.

The following significant accounting policies have been adopted in the preparation of these financial statements and consistently applied to all periods covered.

PROPERTY, PLANT & EQUIPMENT

Items of property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment loss. The items have been assessed for current replacement cost in 2015, and as a result there has been no change in the values of the individual items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income and expenditure statement during the financial period in which they are incurred.

Gains and losses on disposal of an item of property, plant & equipment are determined by comparing the proceeds from disposal with the carrying amount, and are recognised net within other income in the income and expenditure statement.

DEPRECIATION

Depreciation is calculated on the depreciable amount of all fixed assets over their useful lives commencing from the time the asset is held ready for use.

The depreciation methods and rates used for each class of assets are as follows:

Office Equipment – Diminishing value method 15% to 33.33%

Motor Vehicles – Diminishing value method 18.75%

Computer Equipment – Diminishing value method 40%

Leasehold Improvements – Straight line over 3 lease terms (9 years)

Furniture & Fittings – Diminishing value method 7.5% to 20%

Assets held for Club Use – Prime cost method 10%

Umpires' Training Equipment – Prime cost method 40%

Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (CONTINUED)

FOR YEAR ENDED 31 OCTOBER 2015

INVENTORIES

Inventories are measured at the lower of cost and net realisable value. The cost is based on the first in, first out principle and includes expenditure incurred in acquiring the inventories and other costs associated with bringing them to their existing location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated selling expenses.

LEASES

Operating leases do not transfer substantially all the risks and benefits incidental to ownership of an asset.

Payments made under an operating lease are recognised in the expenditure statement on a straight line basis over the term of the lease. The leased assets are not recognised in the balance sheet of the association.

EMPLOYEE ENTITLEMENTS

Provision is made for the association's liability for Employee Entitlements arising from services rendered by employees to balance date. Employee Entitlements that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Annual leave has been assessed in accordance with the provisions of AASB 119 however, no change in classification between current and non-current is considered necessary.

INCOME TAX

The League has been granted an income tax exemption by the Australian Taxation Office.

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated with amount of GST included. The net amount of GST recoverable or payable to the Australian Taxation Office is included as a current asset or liability in the balance sheet.

REVENUE RECOGNITION

Property Division Sales

Property Division Sales represent revenue earned from the sale of products to member clubs. Revenue is recorded when the goods are despatched.

Interest Income

Interest Income is recognised as it accrues.

Management Fees

Management Fees represent revenue earned from charges to member clubs used to fund the provision of services (including but not limited to umpires).

Asset Sales

The profit or loss on disposal of assets is included as revenue of the association. Such profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

3. OPERATING LEASES

The League had one operating lease during the financial year for the rental of the office.

OFFICE

There is a Memorandum of Understanding signed by the League as sub-leasee to Western Bulldogs Football Club. It and the draft lease received provide for terms of 3 years with seven 3 year options totalling 21 years, commencing May 2010. This MoU will remain in force until the formal lease is executed. Rental is reviewed annually in May and is subject to a CPI increase. In late 2013 the final lease draft was received but has not yet been actioned due to a change in personnel at the Western Bulldogs Football Club.

The lease draft provides for annual increases to be the lesser of 3% and CPI.

FINANCIAL REPORT

Independent Auditor Statement

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF WESTERN REGION FOOTBALL LEAGUE INC.

We have audited the accompanying financial report, being a special purpose financial report, comprising the balance sheet as at 31 October 2015, the income and expenditure statement for the year then ended, the cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory information of the Western Region Football League Inc and the Statement by Executive Board Members.

Board of Management responsibility for the financial report

The Board of Management is responsible for the preparation and fair presentation of the financial report in accordance with the applicable financial reporting framework, and for such internal control as it determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. The board has determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report are appropriate to meet financial reporting requirements and the needs of the members.

The financial records kept by the Western Region Football League Inc are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards and the Associations Incorporation Reform Act 2012.

Auditor's responsibility

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit of the financial report in order to express an opinion on it to the members.

I disclaim any assumption of responsibility for any reliance on this report, or on the financial statements to which it relates, to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to management's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of management's internal control. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Electronic publication of the audited financial report

It is our understanding that the Western Region Football League Inc intends to electronically present the audited financial report and auditor's report on its internet website. Responsibility for the electronic presentation of the financial report on the Western Region Football League Inc website is that of those charged with governance of the Western Region Football League Inc. The security and controls over information on the website should be addressed by the Western Region Football League Inc to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report on the Western Region Football League Inc website is beyond the scope of the audit of the financial report.

Auditor's Opinion

In my opinion the financial report of the Western Region Football League Inc presents a true and fair view, in all material respects, of the financial position as at 31 October 2015 and its financial performance and cash flows for the year then ended on that date and complies with applicable Australian Accounting Standards.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling Executive Board Member reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

WRFL PARTNERS & SUPPLIERS

Thanks to all WRFL partners and suppliers for their help and support over the 2015 season.

Their financial contribution plays a significant role in ensuring the league's viability and underpins our objective of minimising club affiliation fees.

Currently, sponsorship represents nearly one third of the league's net revenue.

We encourage all clubs to continue to support our sponsors and partners.
