SEDA COLLEGE STUDENT LACHLAN HUDSON TALKS ABOUT WHY HE CHOSE SEDA COLLEGE FOR HIS SENIOR SECONDARY EDUCATION

Name: Lachlan Hudson

SEDA College Class: AFL Sunshine

What made you choose SEDA College?

I did a sports coaching class at my previous school, and I really enjoyed it so when I got the opportunity to enrol at SEDA College where my education would be based around sport, I was super excited.

What do you enjoy most about SEDA College?

Having the opportunity to inspire kids to play sports and stay fit and healthy. It also gives me a great opportunity to meet new people and experience various jobs within the sporting industry.

What do you like about the teaching model at SEDA College?

I enjoy the fact that everything we learn about involves sport because I find that it's easier to stay engaged. All lessons are different and give me a chance to research and learn more about the sports industry.

What opportunities have you been able to participate in with your program partner (AFL Victoria & Western Bulldogs)

I am completing my work experience with the Western Bulldogs. I enjoy this because I take part in a range of jobs. We sometimes work from Whitten Oval where we help plan and run clinics and other days we work with Bulldogs staff members and facilitate clinics at different schools. I recently was part of the Western Bulldogs CALDPlay community sports program at the MCG where my role was to set up ovals, umpire and run football drills. I have also been able to participate at the Western Bulldogs family day which was held at a Bulldogs practice match and run activities using the inflatable football goals and targets.

What are some of the other community opportunities you've been involved as part of your study at SEDA College?

Each week we complete football clinics at different schools in our area. I thoroughly enjoy this because I'm able to see the students start off nervous and then become confident with lots of energy which makes me happy. Working at the clinics has also inspired me to become a PE Teacher when I finish school.

Which WFNL team do you play for?
