# APPENDICES

## APPENDIX A – WHITE CARD POLICY

### CONTEXT

The Western Football Netball League (WFNL) is committed to undertaking proactive measures to ensure the match day environment for all players, coaches, volunteers, umpires, and spectators is a positive experience.

In line with this undertaking, a Coaching Box Card System will continue to be trialled in 2025 across all competitive junior age levels (U12 – U16) of the WFNL. The system is focused on the Head Coach role modelling coach behaviour and being accountable for any unacceptable behaviour by any person/s located within the confines of the designated coaching box area. Club, Coach and Umpire feedback will be sought at the end of the season as part of the review process.

### OBJECTIVES

The objectives of this policy are to

- provide a safe, inclusive, and positive environment for our umpires;
- promote recruitment and retention of umpires through a reduction in the incidence of Umpire Abuse;
- provide a ‘real-time’ mechanism for Umpires and Coaches to address unacceptable behaviour coming from the Coaching Box Area.

## PROCEDURE

### Procedure Overview

Where a league field umpire(s) hears or observes any unacceptable behaviour emanating from the Coaching Box, a three-phase system, as summarised in Table 2, will be undertaken by the league field Umpire(s) via the use of white and red cards to stop such behaviours in 'real time'.

*Table 2 – Three Phase System*

Phase	Action Overview
Phase 1	Play immediately stopped. A free kick awarded against the offending team. A first warning (white card) shown to the offending team's Coach.
Phase 2	Play immediately stopped. A free kick and metre penalty relevant to grade awarded against the offending team. A second warning (white card) shown to the offending team's Coach
Phase 3	Play immediately stopped. A free kick and a metre penalty doubled relevant to grade awarded against the offending team and a RED Card (ejection from Match) issued to the Coach.

### Phase 1

If, on the first occasion during a match, a Field Umpire hears or observes any Unacceptable Behaviour arising from the Coaching Box Area, regardless of whether an individual offending person can be identified, the Field Umpire is to:

- Blow the whistle to immediately stop play;
- Move within 20m of the offending Coaching Box Area; and
- Hold up a white card.

A field umpire who is not issuing the card shall take control of the football at the spot on the field where play was stopped and then once the card has been issued, will resume play by awarding a free kick against the offending team.

It is incumbent on the Coach to immediately address any unacceptable behaviour identified within the Coaching Box Area.

If any abuse or dissent is forthcoming from the Coaching Box Area during the card issuing process, a metre penalty relevant to grade shall be imposed.

## **Phase 2**

If, on a second occasion during a Match, a league field umpire(s) hear or observes any Unacceptable Behaviour arising from the same Coaching Box Area, regardless of whether an individual offending person can be identified, the League field umpire is to:

- Blow the whistle to immediately stop play;
- Move to within 20m of the offending Coaching Box Area; and
- Hold up a white card.

A league field umpire who is not issuing the card shall take control of the football at the spot on the field where play was stopped and then once the card has been issued, will resume play by awarding a free kick and a metre penalty relevant to grade against the offending team

If any abuse or dissent is forthcoming from the Coaching Box Area during the card issuing process, the existing metre penalty relevant to the grade shall be doubled.

## **Phase Three**

If, on a third occasion during a Match, a league field umpire(s) hears or observes any Unacceptable Behaviour arising from the same Coaching Box Area, regardless of whether an individual offending person can be identified, the League field umpire is to:

- Blow the whistle to immediately stop play;
- Move to within 20m of the offending Coaching Box Area; and
- Hold up a red card to the Coach.

A league field umpire who is not issuing the card shall take control of the football at the spot where play was stopped and then once the card has been issued and the Coach ejected, they will resume play by awarding a free kick and a metre penalty doubled relevant to grade awarded against the offending team.

If any abuse or dissent is forthcoming from the Coaching Box Area during the card issuing process, the existing metre penalty shall be upgraded with another metre penalty relevant to the grade.

## **Reasons for Card**

The league field umpire shall not engage in any conversation when undertaking any phase of the process and shall not answer any questions that come from the Coaching Box Area.

If a club wants clarity as to why a white or red card was issued, the offending team's Team Manager can respectfully approach the League field umpire(s) in between quarters to obtain an explanation.

### **Coach Ejection**

Any Coach who receives a red card must either

- Go to the change room and remain there until the Match is completed and both teams have left the playing field OR
- leave the venue and not return until the Match is complete and both teams have left the playing field.

The Coach cannot in any way shape or form continue coaching their Team once they have been red carded.

The Coach cannot nominate someone else to leave the Coaching Box Area in their place, regardless of whether someone else's behaviour led to the red card.

Any Coach who receives a red card shall be referred directly to the Tribunal.

Any Coach who receives a red card may also be issued with a Coaching Citation.

Where the Coach refuses to vacate the Coaching Box Area, the League field umpire shall stop the Match and report the Coach on a charge of serious misconduct which will be referred directly to the Tribunal.

### **White and Red Card Reporting**

The timekeeper(s) will be responsible for noting the time and quarter of any white card or red card issued and to which team, and record of all cards issued must be listed on the official timecard.

The Umpire shall check with the Timekeeper(s) at the next quarter break to ensure the white card or red card has been recorded.

The League field umpire is to record details of any card issued in the prescribed Umpire Match Report.

Any coach who receives a third White Card during the one (1) season shall automatically receive a one (1) week suspension. A fourth white card shall incur a two (2) week suspension. A fifth white card shall incur a three (3) week suspension. Further white cards shall result in the coach appearing before the WFNL Board.

### **Reportable Offences**

Nothing in this Policy prevents an Umpire from reporting a Player or Official for any act that is considered a 'Reportable Offence'.

Where a Player or Official in the Coaching Box Area is reported for Abuse or Dissent toward an Umpire, the umpire shall proceed with issuing the relevant white or red card.

Any circumstances involving the issuing of a red card under this Policy will be referred to the Tribunal regardless of whether the Coach has been reported.

### **Spectators**

In the event, a Team receives a card and they determine such behaviours have come from a person(s) outside of the Coaching Box Area:

- It is incumbent on the Club to immediately seek to address the behaviour of that person(s); and
- It does not negate the issuing of the card or free kick and/or penalties.

## APPENDIX C – MERCY RULE

The Mercy Rule will apply to the Under 12 age group and will be invoked by the umpire if the score differential at half time or three-quarter time of a match is sixty (60) points or greater.

Once invoked the following change to match conditions will be implemented by the umpires and will remain in place for the remainder of the match:

- After any score by the winning team, play is restarted with the losing team given possession of the ball at the edge of the centre square at their attacking half.
- All players (both teams) must remain in their positions and on-batters/wingers must stay behind the centre circle and away from the kicker. Penalty for non-compliance is a 15m penalty.

There is no discretion for club officials to agree to non-implementation of the Mercy Rule. The Mercy Rule does not apply in grading matches or finals matches.
