SEDA COLLEGE STUDENT NATE BEZZINA TALKS ABOUT WHY HE CHOSE SEDA COLLEGE FOR HIS SENIOR SECONDARY EDUCATION

Name: Nate Bezzina

SEDA College Class: Sports Development Program - AFL VIC Sunshine

What made you choose SEDA College?

I chose SEDA College because I heard from friends who attended SEDA that it was the best schooling decision they'd ever made. After hearing that, I researched and learned more about SEDA, and I was hooked.

What do you enjoy most about SEDA College?

I enjoy the community in my classroom – there are no bullies and no one gets left out. It's all fun and games. Another thing I really enjoy is how there's only one teacher per class, which is great because they can pay attention to every single person.

What do you like about the teaching model at SEDA College?

Building on what I said before, the one-teacher model is amazing. It's really great to know that I have a teacher I can go to and express any problems I might have.

What opportunities have you been able to participate in with your program partner (AFL Victoria & Western Bulldogs)

I've been able to participate in and assist at a pre-season match with the Western Bulldogs against the Essendon Bombers. This was a great opportunity because I got to experience the whole setup and facilities at Whitten Oval. We also have a handful of students who are completing their work experience with the Western Bulldogs, which is a great experience for them.

What are some of the other community opportunities you've been involved as part of your study at SEDA College?

I've been able to participate in and run clinics with primary schools in our local area. This has been great for connecting with the region I'm in and the people who are part of the same community as me.

Which WFNL team do you play for?
