### TAILORED PRIVATE HOSPITAL CARE

Our experienced team create an individualised treatment plan shaped for your needs.

## HOW IT WORKS

We make your healthcare journey simple and stress-free:

### 1 CHOOSE YOUR SPECIALIST

Choose from one of our extended network of specialists and select the doctor that best suits your needs.

### 2 GP REFERRAL

Talk to your General Practitioner about getting a referral for a smooth transition across to specialist care.

### 3 SPECIALIST CONSULTATION

Meet privately with your chosen specialist to discuss your condition and ask questions before exploring treatment options.

### 4 GET AN UNINSURED QUOTE

Your specialist's team can request a quote from the hospital for your surgery for you to review and accept\*

### 4 PAY FOR YOUR HOSPITAL STAY

Settling your bill is simple and stress-free, which means you get to focus on making a speedy recovery.

### 5 START YOUR TREATMENT

Begin your personalised treatment plan with peace of mind, in the safe care of our multidisciplinary healthcare team.

### 6 YOUR ROAD TO RECOVERY

Your recovery starts as soon as treatment begins. We're here to support you at every stage of your journey.
